

Qualifying: Vesti times 3!

Supremacy of the danish confirmed with 3 pole positions

Red Bull Ring, 13 July 2019 – On a dry track covered by a cloudy sky, it is once again Frederik Vesti (Prema Powerteam), leader of the Formula Regional European Championship certified by FIA, to conquer everything in qualifying sessions, with the two best lap times of the sessions, 1:26.005 and 1:25.600, and with the fastest second best time (1:25.706).

Behind the Danish in session 1 his teammate Enzo Fittipaldi (1:26.302), second in the Championship, and David Schumacher (US Racing) with 1:26.378. In session 2 behind Vesti an excellent Igor Fraga (DR Formula by RP Motorsport) with 1:25.834 and again Fittipaldi with 1:25.964.

Sophia Floersch (Van Amersfoort Racing) damages the car in the first laps of session 1 and so has no valid lap times in both qualifying.

In the afternoon race 1 will start at 17:00, and it will be possible to follow it live on motorsport.tv and AutomotoTV, starting from 16.55, and live streaming on www.acisport.it and on the Facebook page of the championship.
