

Paul Ricard, QP2: Saucy confirms, Rosso and Delli Guanti do a great job

30/05/2021 08:39

After the disqualification from Race 1 and the loss of his win, **Grégoire Saucy (ART Grand Prix)** does not let himself down and confirms he is the fastest, whatever happens, also in QP2, with his best lap time (1:58.139), being more than 3 tenths faster than the second, **Hadrien David (R-ace GP – 1:58.487)**. Interesting to see how the French driver, **Gabriele Minì (ART Grand Prix)** and **Isack Hadjar (R-ace GP)**, respectively third and fourth, are all inside only 0.036, showing that the lap time by the Swiss driver of ART Grand Prix is really astonishing, but also that competition this afternoon for second place on the podium will be amazing!

Well done to Minì and Hadjar, followed by **Mikhael Belov (JD Motorsport)**, **William Alatalo (Arden)**, **Andrea Rosso (FA Motorsport)** and **Pietro Delli Gaunti (Monolite Racing)**, the latter two making a fantastic improvement compared to QP1.
