

# DINO BEGANOVIC DOMINATES A RAIN-AFFECTED RACE ONE AT MONZA

📅 23/04/2022 ⌚ 20:26

**Premia Racing's Dino Beganovic** claimed his first **Formula Regional European Championship by Alpine** victory in the opener race of the weekend at **Monza**.

The heavy rain has not scared the Sweden racer, who headed **Michael Belov (MP Motorsport)**. **R-ace GP's Lorenzo Fluxa** completed the podium with a battling drive to the third place. The Spaniard claimed his first podium finish after contending the position with teammate **Hadrien David**. The French finished fourth ahead of **Kas Haverkort (Van Amersfoort Racing)**.

**Gabriel Bortoleto (R-ace GP)** was sixth ahead of **Mari Boya (ART Grand Prix)**, with **Sebastian Montoya** emerging among the 20 rookies to take the eighth overall position.

**Sami Meguetounif (MP Motorsport)** finished ninth. Some post race penalties promoted **Trident Motorsport's Leonardo Fornaroli** to the tenth position.

The race was slowed by three safety car periods. The first one due to the contact between **Laurens van Hoepen (ART Grand Prix)** and **Eduardo Barrichello (Arden Motorsport)**. It forced the Brazilian to return to the pits while the Dutchman had to retire. At the restart, second placed **Gabriele Minì** hit the rear of the leader's car. After a short pit stop the Italian made a great recovery from the back of the field to the fifteenth position.

*"It's a good way to start the season – said Beganovic – It was a tricky race and we had to be careful with the brakes and the traction. I'm happy for this result. Tomorrow we hope to confirm another good performance".*
